DEAR PARENTS AND CAMPERS:

The Millsaps Baseball Coaches are very excited about the upcoming 2025 Summer Baseball Camps! We are looking forward to a fun and enthusiastic summer of learning the fundamentals of baseball. Our goals are for each camper to not only develop the proper mechanics of the game, but to learn many drills so they can continue to develop their skills after camp.

Each camper will receive instruction in hitting, catching, infield and outfield play as well as proper base running techniques. We will encourage goal setting, positive thinking, hard work in school and other areas we feel can help a young person on and off the field. We look forward to having you work with us to improve your baseball skills.

Sincerely,

Jim Page
